World Health Forum

Volume 11, 1990

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section *of World Health Forum,* are indexed separately on p. 5.)

accident prevention, health education, 93
see also road accidents
accidental falls, survey of elderly patients, New Zealand, 282
administration and dosage, narcotics for cancer pain, 201
oral contraceptives, 205
adolescence, pregnancy, Africa, 336
pregnancy counselling through entertainment, Philippines, 297
adverse effects, lead in eye cosmetics, 311
pesticides, 430
tobacco, 3
advertising, alcohol, France, 242
UK, 425
tobacco, 416
Africa, adolescent pregnancy, 336
AIDS, children, Romania, 199
films, France, 293
interview with Walter Dowdle, 388
alcohol drinking, abuse among young people, UK, 235
Netherlands policy, 257
USSR campaign, 253
USSR policy, 246
alcoholic beverages, advertising, France, 242
advertising on television, UK, 425
anatomy, teaching in India, 432
attitude to health, deterioration of environment, 32
immunization, India, 429
audiovisual aids, films on AIDS, France, 293

biography, Norman Bethune, 373
Celestino Lara, 368
Andrija Stampar, 376
biostatistics, teaching in Puerto Rico, 431
blood tests, prior to oral contraception, 205
Bolivia, Celestino Lara, community health worker, 368
Botswana, human resources, 394
occupational health, 108
burns, fireworks, India, 323

cancer, pain relief, Pakistan, 210
prescribing narcotics, 201
cardiovascular diseases, Heartbeat Wales project, 405
cartoons: Manuel Barranco, 11
Didier Maye, 5
Peanuts by Charles M. Schulz, 426
cartoons, as a health medium, 14
child health, nutritional status, India, 207
Romania, 199
China, insurance scheme for immunization, 173
research for health development, 455
surgical work by Norman Bethune, 373
Colombia, radio promotion of condom use, 95
community health aides, Bolivia, Celestino Lara, 368
national programmes, 85
nutrition monitoring, India, 207
supervision, Lesotho, 86
community health centres, evaluation, Finland, 447
community medicine, obstetrics, 206
community participation, immunization coverage, India, 169
water supply, Indonesia, 327
computer software, data analysis by *Epi Info,* 75
computers, use in health education, Malaysia, 310
condom use, radio promotion, Colombia, 95
cosmetics, lead content of surma, UK, 311
counselling, adolescent pregnancy, Philippines, 297

data collection, road accidents, Nigeria, 94
data management, *Epi Info* software, 75
development, related to health, 355
drought, Sudan, 424
drug prescribing, by medical assistants, Sri Lanka, 90
drug sales, by physicians, India, 318

elderly, falls in hospital, New Zealand, 282
fractures and vitamin deficiency, Hong Kong, 93
environment, attitudes to deterioration, 32
Mediterranean pollution, 274
recycling of waste, 46
respect for resources, 431
survey of housing needs, 38
epidemiology, *Epi Info* computer program, 75
ethics, community-based research, 208
prenatal diagnosis and counselling, 179
Ethiopia, maternity waiting home, 440
Europe, cold chain study, 200
evaluation studies, by tracer activity, Finland, 447

family planning, blood tests and oral contraceptives, 205
illustrated materials, Nigeria, 302
female feticide, India, 309
female literacy, key to sex preference, India, 309
fertilizers, reuse of waste, 46
financing of health services, Zaire, 451
Finland, noncommunicable diseases, 381
physiotherapy as tracer activity for evaluation, 447
primary health care by nurses, 102
fireworks, safe use, India, 323
first aid, role in primary health care, 202
France, advertising of alcohol, 242
films on AIDS, 293

general practitioners, Nigeria, 433
Poland, 426
genetic counselling, 179

health education, accident prevention, 93
humorous, Philippines, 412
personal approach, 94
pregnancy in adolescence, Philippines, 297
use of computers in schools, Malaysia, 310
health for all, maintaining momentum, 435
health manpower, planning for needs, Botswana, 394
health priorities, 1990s, 355
health promotion, Heartbeat Wales project, 405
mass media, Round Table, 143
strip cartoons, 14
health research, by nurses and midwives, 98
China, 455
health status, indicated by infant mortality rates, 78
measurement, India, 91
health systems research, ethics, 208
methodology, 286
Heartbeat Wales, health promotion project, 405
hepatitis B, vaccine, 165
hereditary diseases, prenatal diagnosis and counselling, 179
Hong Kong, fractures and vitamin deficiency in elderly people, 93
housing, survey of national needs, 38
human resources, Botswana, 394
hygiene, value of water, Tanzania, 208

immunization, attitudes, India, 429
community participation, India, 169
European cold chain study, 200
hepatitis B, 165
insurance scheme, China, 173
Mongolia, 200
India, attitudes to immunization, 429
children's nutritional status, 207
community participation in immunization coverage, 169
drug sales by physicians, 318
female feticide, 309
health documentation centres, 313
maternal mortality, 188
measurement of health status, 91
medical education for community care, 96
preference for male offspring, 309
primary health care, 60
safe use of fireworks, 323
teaching anatomy, 432
workers' health cards, 204
Indonesia, women's participation in water supply, 327
infant mortality, comparison of rates, 78
infertility, polycystic ovary syndrome, Norway, 214
information centres, India, 313
insurance scheme, immunization, China, 173
Interview, with Debabar Banerji, primary health care in India, 60
with Walter Dowdle, AIDS, 388

Kenya, health hazards of pesticides, 430
traditional birth attendants, 427

labour complications, 440
Lara, Celestino, 368
lead poisoning, surma eye cosmetic, UK, 311

leprosy, health education, 94
Lesotho, supervision of health workers, 86
life-style, Heartbeat Wales project, 405
leading to obesity, Nigeria, 428
liver neoplasms, hepatitis B vaccine, 165

malaria control, Thailand, 91
Malaysia, computers in health education, 310
mass media, condom promotion by radio, Colombia, 95
films on AIDS, France, 293
health in strip cartoons, 14
health promotion, Round Table, 143
press reporting on health, Sri Lanka, 308
promotion of alcohol, France, 242
use of television to promote alcohol, UK, 425
maternal mortality, Ethiopia, 440
India, 188
Pakistan, 427
surveillance, USA, 92
maternity waiting home, Ethiopia, 440
medical education, anatomy, India, 432
biostatistics, Puerto Rico, 431
for community care, India, 96
Nigeria, 265
public health managers, 269
medical records, India, 204
medicinal plants, conservation in USSR, 89
identification, 88
Mediterranean, marine pollution, 274
midwives, researchers in maternal and child health, 98
Mongolia, immunization, 200

narcotics, administration for cancer pain, 201
Netherlands, alcohol policy, 257
New Zealand, falls among elderly patients, 282
restrictions on tobacco promotion, 423
Nigeria, data collection on road accidents, 94
general practitioners in hospitals, 433
illustrated family planning materials, 302
medical education, 265
obesity, 428
primary health care, 87
traditional birth attendants, 192
noncommunicable diseases, Finland, 381
Norway, infertility due to polycystic ovarian syndrome, 214
Women's Public Health Association, 332
nursing, health research by midwives, 98
industrial primary health care, Botswana, 108
primary health care, Finland, 102
nutrition, children, India, 207

obesity, Nigeria, 428
obstetrics, community-based, 206
occupational health, Botswana, 108
workers' health cards, India, 204

pain relief, cancer, Pakistan, 210
Pakistan, cancer pain relief, 210
maternal mortality, 427
pesticides, Kenya, 430
Philippines, adolescent pregnancy counselling through entertainment, 297
humorous health education, 412
pioneers, Norman Bethune, 373
Celestino Lara, 368
Andrija Stampar, 376
plants, *see* medicinal plants
Poland, general practitioner service, 426
polycystic ovarian syndrome, cause of infertility, Norway, 214
prenatal diagnosis, 179
press reports on health, Sri Lanka, 308
primary health care, community health worker programmes, 85
India, 60
industrial workers, Botswana, 108
midwifery services, Nigeria, 192
Nigeria, 87
place of first aid, 202
role of public health nurses, Finland, 102
Round Table, 359
Saudi Arabia, 385
self-financing and self-management, Zaire, 451
primary health care workers, *see* community health aides
professional practice, drug sales by physicians, India, 318
public health, training for managers, 269
women's association, Norway, 332
public health pioneer, Andrija Stampar, 376
Puerto Rico, teaching biostatistics, 431

questionnaire, *Forum* readership survey, 65

rabies control, Thailand, 310
readership survey, *Forum,* 65
road accidents, data collection, Nigeria, 94
Romania, children with AIDS, 199
Round Tables: Primary health care—what still needs to be done?, 359
Two approaches to health promotion in the mass media, 143
Women and tobacco, 3

safe motherhood, *see* maternal mortality
